Do not leave a blank box in the middle of an answer. 4. Under each answer box, fill in the circle that matches the number or symbol you wrote above.

MCAS Grade 6 Mathematics Practice Test

By sixth grade most students have had a hand at writing their own essays and book reports so they appreciate reading from a different perspective. Generally, they have an idea of the work involved in creating a story and are a bit more interested in the stories of others. This is when good histories and biographies become interesting.
