~~Diabetes Doctors: Eye Doctor, Podiatrist, Dietitian, and More~~

If you have diabetes, here's a way to keep standing on your own two feet: check them every day—even if they feel fine—and see your doctor if you have a cut or blister that won't heal. There's a lot to manage if you have diabetes: checking your blood sugar, making healthy food, finding time to be active, taking medicines, going to doctor's appointments.
