The Cooks Essentials Pressure Cooker is a  
multi-purpose cooker that can brown,  
steam, keep warm, slow cook and pressure  
cook. It is oval shaped and is therefore  
ideal for roasts, chickens, turkeys, ribs and  
other larger dishes that is difficult to fit  
into a round cooker. It is really easy to  
clean since the removable pan is both non-  
stick and dishwasher safe.

The actual housing of both the Cooks Essentials and Instant Pot pressure cookers is not safe for dishwashing due to the presence of the electrical wiring. But the inner pot can be removed easily and is safe for dishwashing, similar to the slow cooker pot.
