Overcrowding in emergency departments is a
problem in many countries around the world,
including the United States and Chile.
Emergency department (ED) overcrowding causes
problems for patients and staff, including
increased waiting times, increased ambulance
diversion, increased length of stay,
increased medical errors, increased patient
mortality, and increased harm to hospitals
due to ...

EMERGENCY DEPARTMENT (ED) OVERCROWDING: EVIDENCE-BASED ...

The workbook reinforces key concept and
skills taught in the Emergency Medical
Response textbook. Activities, case studies
and self-assessments help participants build
on material already learned and apply their
knowledge to emergency situations. The
workbook is optional but encouraged as it
helps students prepare for the exam.
