~~Amazon.co.uk:Customer reviews:~~

~~Evocative Autoethnography...~~

Autoethnography is a form of qualitative research in which an author uses self-reflection and writing to explore anecdotal and personal experience and connect this autobiographical story to wider cultural, political, and social meanings and understandings.

Autoethnography is a self-reflective form of writing used across various disciplines such as communication studies, performance studies, education, English literature, anthropology, social work, sociology, history, psychology, religious studie
