Should Hate Speech Be
Protected As Free Speech?

*Free Expression And
Democracy In*

Free Expression and
Democracy takes on the
assumption that limits on
free expression will lead to
authoritarianism or at least
a weakening of democracy.
That hypothesis is tested by
an examination of issues
involving expression and
their treatment in countries
included on The Economist's
list of fully functioning
democracies.

From the 1798 Sedition Act to the war on terror, numerous presidents, members of Congress, Supreme Court justices, and local officials have endorsed the silencing of free expression. If the connection between democracy and the freedom of speech is such a vital one, why would so many governmental leaders seek to quiet their
