A Safespace can be made to measure to fit a small classroom, or placed in the corner of a larger classroom or hall. Most schools choose our standard 200cm x 200cm Safespace in light blue with a dark blue floor. This requires a minimum clear floor area of 2.5m x 2.5m.

Safespaces In Schools

Safe spaces are places where children can go to calm down, be alone, and recharge so they are ready to learn. Experts know that when children don't feel safe or are in a state of emotional upset, they can't learn. Safe spaces are an effective way to help children return to a relaxed state that is optimal for learning.
