This is never pleasant, so it is essential that your dog's regular diet is balanced and varied, rich in key nutrients and omega-6 fatty acids. Diets low in fat and rich in chicken content can be detrimental to a dog's skin and coat so it is vital that such diets are avoided. Besides this, regular washing and grooming will significantly benefit the overall condition of your dog's skin and coat, and VioVet stocks a great assortment of products that accommodate this particular purpose.
