A man forsaken but not forgotten. He is Lancelot. Set in a 5th century Britain besieged by invading bands of Saxons and Franks, Irish and Picts, Giles Kristian's epic new novel tells - through the warrior's own words - the story of Lancelot, that most celebrated of all King Arthur's knights.

The early 13th century French romance tells of Lancelot's childhood, his arrival at King Arthur's court, and the flowering of his legendary love affair with Queen Guinevere. Preview this book » What people are saying - Write a review

**Lancelot of the Lake - Google Books**

Lancelot's passion for Arthur's wife Guinevere is entirely absent from another early work, Lanzelet, a Middle High German epic poem by Ulrich von Zatzikhoven dating from the very end of the 12th century (no earlier than 1194). Ulrich asserts that his poem is a translation of an earlier French work from an unspecified book he had obtained, the provenance of which is given and which must have ...

**Lancelot - Wikipedia**

In his most recent novel, the Sunday Times bestseller Lancelot, Giles plunged into the rich waters of the Arthurian legend. For his next book, he continues his epic reimagining of our greatest island 'history'. Giles Kristian lives in Leicestershire.--This text refers to an out of print or unavailable edition of this title.

The Book of Lancelot is a study of the highly intriguing Middle Dutch Lancelot Compilation, a collection of ten Arthurian verse romances, compiled around 1320. Although the compilation is one of the most important Middle Dutch works, and has important implications for Arthurian studies, it is not well-known outside the Low Countries.

**The Book of Lancelot - The Middle Dutch "Lancelot ...**

I immensely enjoyed books 1 to 6 of the series, regarding the books as imaginative pulp fiction and compulsive light reading. However, book 7 is very disappointing. The plot line feels tiered, the many gay sex scenes neither character engaging nor erotic, and Lancelot plus friends come over as superficial and not believable.

The Book of Lancelot is a study of the highly intriguing Middle Dutch Lancelot Compilation, a collection of ten Arthurian verse romances, compiled around 1320. Although the compilation is one of...

**The Book of Lancelot: The Middle Dutch Lancelot ...**

Lancelot, the Knight of the Cart. Lancelot, the Knight of the Cart ( French: Lancelot, le Chevalier de la Charrette) is a 12th-century Old French poem by Chrétien de Troyes, although it is believed that Chrétien did not complete the text himself. It is one of the first stories of the Arthurian legend to feature Lancelot as a prominent character. The narrative tells about the abduction of Queen Guinevere, and is the first text to feature the love affair between Lancelot and Guinevere.

**Lancelot, the Knight of the Cart - Wikipedia**

The main character in this book is Sir Lancelot the Great; he is fearless and brave. During the book, Sir Lancelot got shot in his bottom with an arrow. The people who found him took him to get...

**M.G.'s CHILDREN'S BOOK: The Adventures of Sir Lancelot the ...**

Lancelot and the Lord of the Distant Isles, or the "Book of Galehaut" Retold, by Patricia Terry and Samuel N. Rosenberg, is a modern retelling of the Prose Lancelot, a major source of Arthurian Legend. It follows the arc of Lancelot 's life, his adventures and the well-known affair with Guenevere. The difference in this retelling is its emphasis on Galehaut, the Lord of the Distant Isles, his friendship with, his love of, and his influence over Lancelot.

**Lancelot and the Lord of the Distant Isles, or the "Book ...**

Lancelot is the protagonist of Book III and the greatest knight in the company of the Round Table. He is Arthur's best friend and a powerful foil for the king since he is complex and full of contradictions. Lancelot is also Arthur's opposite in that, while he is always able to take swift and decisive action, he is rarely able to use this ability to make the world a better place.

**Lancelot Character Analysis in The Once and Future King ...**

Galehaut, lord of the Distant Isles ( le sire des Isles Lointaines ), appears for the first time in the Matter of Britain in the "Book of Galehaut" section of the early 13th-century Prose Lancelot Proper, the central work in the series of anonymous Old French prose romances collectively known as Lancelot-Grail (the Vulgate Cycle). An ambitious, towering figure of a man, he emerges from obscurity to challenge King Arthur for possession of Arthur's realm of Logres.
