Justice and the National Institute on Money in Politics have documented more than a half-billion dollars in spending in state supreme court elections in the Politics of Judicial Elections series.<sup>1</sup> In that time, we 've covered the transformation of these elections from sleepy low-dollar contests into costly races awash in dark money, threatening the hope of equal justice in America 's courtrooms.

The Politics of Judicial Elections, 2017 – 18

Judicial independence means placing individuals beyond the usual means of political discipline after that person has been elevated to judicial office. That insulation is attended to by constitutional provisions that explicitly mention two mechanisms that afford ample protection to the judiciary against interference from the other branches of government.
